

New Customers

Welcome, and thank you for choosing H.J. Oldenkamp Co. for your building and remodeling needs! To get started with our new store, please follow these simple steps:

1. Apply for an Account:

- Visit the [Become a Partner/Customer | H.J. Oldenkamp](#) page on the H.J. Oldenkamp website.
- Fill out the account application form for your area with your personal, contact, and business information as required.
- Submit the form to send your application for processing.

2. Wait for Your First Invoice:

- Once your application is approved and your first order is placed, you will receive your first invoice from H.J. Oldenkamp Co. This invoice will contain your unique account number and invoice number.

3. Register Your Online Account:

- With your first invoice in hand, return to [Home page \(oldenkamp.com\)](#).
- Find and click on the "Create Account" link.
- Enter the account number and invoice number found on your first invoice.
- Complete any additional information required for the registration process, such as creating a password.

4. Complete Registration:

- Submit your registration. You will receive a confirmation once your account is successfully created.
- You can now log in to your new account using the details you've set up.

Need Help?

- If you encounter any issues or have questions during the account application or registration process, please don't hesitate to contact our customer service team for assistance at 1-800-462-6047.

Congratulations on taking the first step towards becoming a partner with H.J. Oldenkamp Co. We're excited to have you on board!
